Dynamic, Robust, and Effective Cleaning Solutions

Proportioning System

The Altra Proportioning System is designed for Environmental Services (EVS) personnel and the challenges they face in healthcare facilities. Our proportioning systems are user-friendly and cost-effective for all healthcare facilities with economically and ecologically friendly products.

Suite of Cleaning Products

Altra Cleaners do not contain potentially hazardous ingredients including butyl, solvents, and alcohol bases. Altra's sustainable cleaning program can be customized to fit your needs, including space, cost, and security requirements.

Odor Elimination

Altra Odor Counteractant is a true "on contact" odor killer. When sprayed directly onto the source, Altra Odor Counteractant reacts with odor-causing material, neutralizing it. Partnered with the EX7000, you can quickly eliminate unwanted odors throughout your entire facility.
