

We Keep Healthcare Healthy™

We make healthcare equipment rental simple and facility hygiene better.

We lower costs and raise the quality of care in healthcare by delivering the right medical equipment and facility hygiene solutions to the right place at the right time.

OneSource Integrated Healthcare Facility Solutions

Better products. Better service. Better outcomes.

We make healthcare equipment rental simple and facility hygiene better. We're HQAA accredited, and we've been delivering to healthcare for 25 years. We provide the industry's only OneSource integrated medical equipment rental and facility hygiene solution to healthcare. OneSource is a customizable, bundled service approach for basic and advanced DME, hand hygiene, cleaning, surface disinfection, odor elimination, and infection prevention programs that improve outcomes for less.

Why Choose MasVida Health Care Solutions?

Reliable. Consistent. Trusted.

Lower Pricing

We pool purchases of our customers and negotiate equipment pricing with multiple manufacturers, suppliers, and distributors for the best pricing to obtain lower prices for you.

Lower Admin Costs

Centralized product value and competitive bidding provide significant economies of scale that reduce your administrative costs.

Worry-Free Support

Higher priority on customer service.

Budget Billing

Recurring monthly payments are predictable and manageable – the same amount, every month, for the length of term for better products, better service, and better outcomes.

We Make Medical Equipment Rental Simple

Same-day delivery. Guaranteed.

With facilities across Texas, we deliver same day, guaranteed. We provide both basic and advanced medical equipment solutions. Our DME Pro+ provides basic DME. Our DME Platinum program includes respiratory, oxygen, NPWT, and wound therapy. Plus, our proprietary portal provides real-time information about billing, rentals, and more. Made for long-term care facilities, your portal is configured to give you access to the right information at the right time by the right team members. The portal puts needed information in front of you in real-time to help you increase care and cut costs.
