

Prepare Your Long-Term Care Facility During COVID-19

Let us help you prepare your long-term care facility for COVID-19. Following CDC protocols, we provide the products and programs you need in place for resident and staff well-being and safety.

Complete Hand Hygiene Program

Implement our Symmetry Hand Hygiene Program that includes products, dispensers, and customized tools to promote education, awareness, and motivation to practice proper hand hygiene.

Symmetry's high-quality products are less likely to contribute to dry hands and leave no sticky residue behind.

Symmetry hand hygiene products, mounted dispensers, and customizable tools that cater to your facility's needs.

Enhanced Cleaning and Disinfecting Program

Frequently clean and disinfect high touch objects, surfaces and areas using products that have been approved by the US Environmental Protection Agency (EPA) for use against SARS-Related Coronavirus 2 (SARS-CoV-2) [cause of COVID-19]. Our Eco® Proportioning Program is fully integrated with effective, hermetically sealed products, including disinfectants that have been approved for by the EPA use against COVID-19 and emerging pathogen disinfectants, for any application.

Microban Antimicrobial Product Floor Protection

Provide an added level of 24/7 proactive protection against damaging microbes with Clarion® 25 Microban Antimicrobial Floor Finish.

Social Distancing Signage

Apply clearly marked customized social distancing signage at entrances, on floors, on walls, in resident rooms, hallways, common areas, and more.

Social Media Support

Share with residents and their family members the comprehensive measures your facility is implementing during COVID-19 via social media. ***We can work with you to develop customized graphics for posting.***

Screen Motion Graphics

Feature customized motion graphics and important COVID-19 related information and protocols on your facility's screens and monitors in hallways, resident rooms, and common areas.

During these uncertain times, you can be certain we are committed to providing the products and customized programs your facility needs to meet the highest cleanliness and preparedness standards.
