

Altra Proportioning Usage Guide

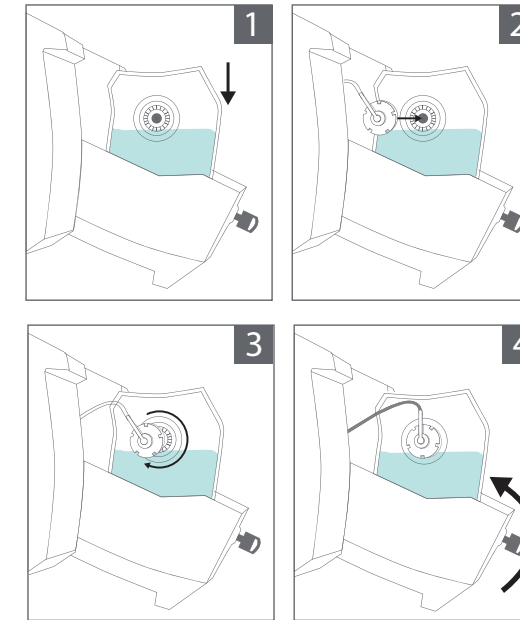

The Altra proportioning unit is a compact and convenient system that utilizes flexible packaging and proprietary technology to automatically dilute chemistry for desired cleaning.

Follow these steps for proper usage:

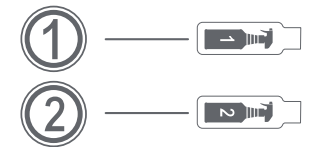

1. Use with cold water. Turn water "ON" at the faucet.
2. Select desired product by either pressing one of the green buttons (#3 or #4) for autoscrubber or mop bucket fill, or by filling a quart bottle by activating one of the low flow switches by inserting the desired 5-inch hoses (#1, #2, #5 or #6) into a quart bottle and pushing back on the switch.
3. When finished diluting the product, turn water "OFF" at the faucet.

Altra Multi-Purpose HP Cleaner is a patented all-in-one solution for cleaning healthcare facilities without stocking multiple products. It is an environmentally responsible, general-purpose cleaner for use on floors, walls, fixtures, and many other surfaces.

Apply with Altra Lite Applicator, cloth, sponge, trigger spray bottle, autoscrubber, or mop.

Tub, Tile & Bowl Cleaner

greenseal.org

Altra Tub, Tile & Bowl Cleaner is a heavy-duty foaming acid cleaner designed to remove tough hard water deposits, standing water rings, soap scum, lime scale, and mildew buildup on various restroom surfaces on which acid can safely be used. Great on stainless steel drinking fountains and in areas where standing water leaves deposits.

Muscle Cleaner

Altra Muscle Cleaner is a spray-and-wipe, concentrated, non-solvent based heavy-duty cleaner for use on walls, fixtures, equipment, and other hard surfaces. It's great for mattresses, WOW's, patient transportation, and more. Altra Muscle Cleaner is effective on heavy soils and permanent marker, ball point ink, crayon, pencil, black heel marks, grease, oil, dyes, and most hard to remove stains.
